

SIEMENS

Synova®

OP320C

Optical smoke detector

for conventional detector line SynoLINE300

- Patented technology: 10x more resistant to dust and dirt than average
- Unique product: 3 patents on the optical chamber
- Transzorbs: Above average lightning protection
- Immune to electromagnetic interference from mobile telephones, fluorescent lights and most other sources
- Exceeds national and international standards and passes the toughest internal tests
- Click concept: Plug-in connections for detector installation and line connection
- Siemens special: Each detector housing can be coloured
- Uncompromising use of environmentally-compatible materials
